

### 1 The fabric of teaching

What classroom procedures (techniques and activities) are you particularly confident with and use frequently?

- 1. ....  
.....
- 2. ....  
.....
- 3. ....  
.....

What classroom procedures (techniques and activities) are you relatively unfamiliar with and hence avoid using?

- 1. ....  
.....
- 2. ....  
.....
- 3. ....  
.....

Which types of English text would you consider using more often in the classroom?

**short narratives; news, magazine and Internet articles; letters and e-mails; lyrics; poetry; transcripts of natural speech and informal conversations; screenplays; adverts; dictionary entries; instructions; students' own writing;**

- 1. ....
- 2. ....
- 3. ....

When you choose to prepare lessons based on your own concepts, which of the following stages seems to take up most of your time. (Number 1-3 accordingly)

- developing concepts and planning \_\_\_\_\_
- searching for and selecting materials \_\_\_\_\_
- adapting materials for the classroom \_\_\_\_\_
